

**DUTCH KIDNEY  
FOUNDATION**

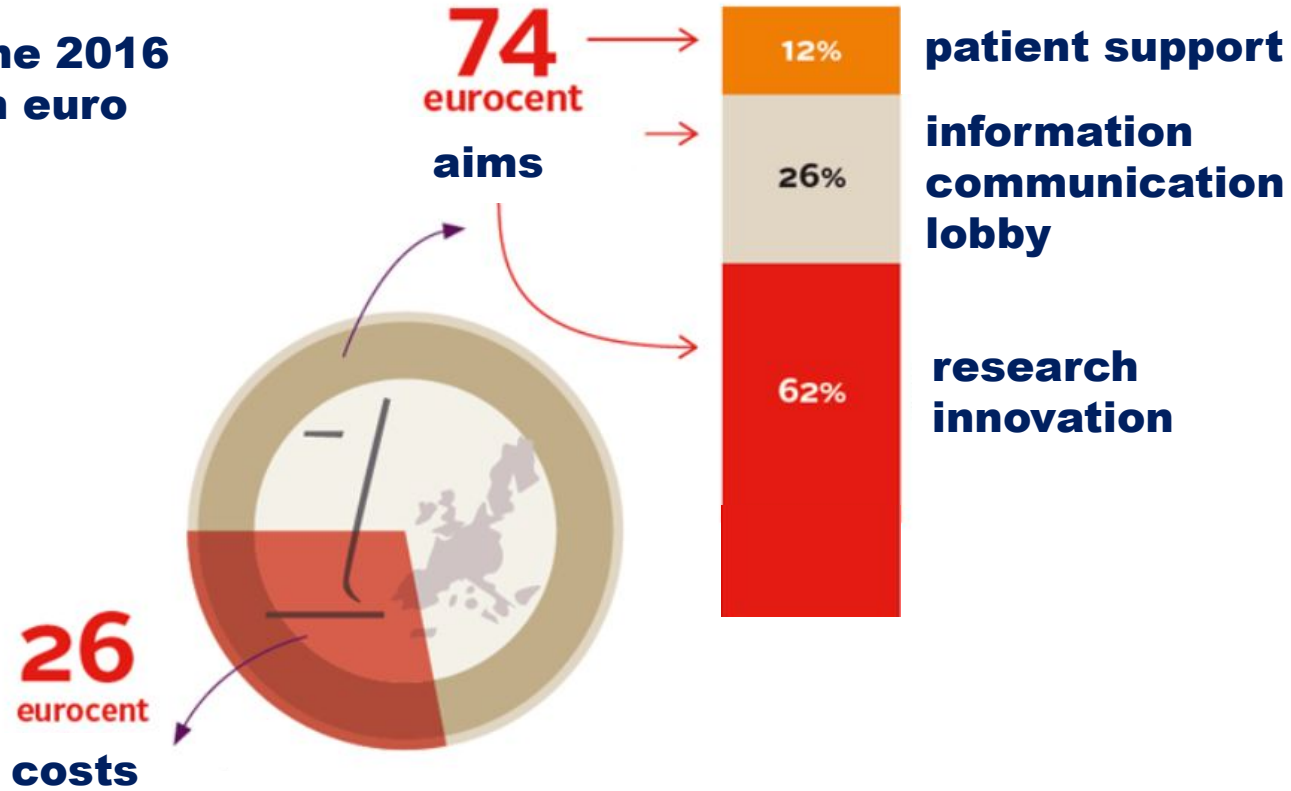

Life comes first.

# Dutch Kidney Foundation Research and Innovation

*Arjen Rienks, program manager research*

*The mission of the Dutch Kidney Foundation is to inspire and stimulate people to join us in our efforts towards **a world without kidney disease and a better future for kidney patients.***

**Total income 2016**  
**21.3 million euro**

# DKF Research and Innovation Policy

## *Competition*

Innovation - pilots, public-  
private projects  
Translation - Consortia  
Talent - Kolff grants

## *DKF initiated*

Prevention - salt campaign  
Cure - regenerative med  
Treatment - kidney failure  
Portable artificial kidney

# A joint strategic renal agenda (NL)

## Trends in science policy landscape

- Societal aims
- Economic aims
- Public engagement
- Support the basis

# Nierziekte de baas

Een gezamenlijke agenda voor onderzoek en innovatie

# Strategic agenda "Beating kidney disease"

- We wish to foster a general **awareness** of the extremely negative impact of kidney damage and kidney disease on patients and on society as a whole.
- Foundation for a **broad approach** to chronic kidney disease.
- Aligning with the national **science policy** of the Netherlands.
- Starting point for further development.

# Beating kidney disease

*- four themes and five principles for research and innovation*

**Preventing and  
controlling  
kidney  
damage**

**Personalised  
medicine**

**Living with a kidney  
disorder**

**Regenerative  
medicine**

Patient perspective  
Economic perspective  
Harness expertise  
Cooperation  
Infrastructure and resources

# Fitting in with science policies

## *Mission oriented policy*

- Societal challenge
- Creation of markets
- Public engagement
- Policy narrative

*EU: H2020, FP9*

*NL: NWA, NWO Strategy*

## *Renal field*

- Vision: explicit goals?
- Challenge to missions
- Missions to roadmaps
- Integration

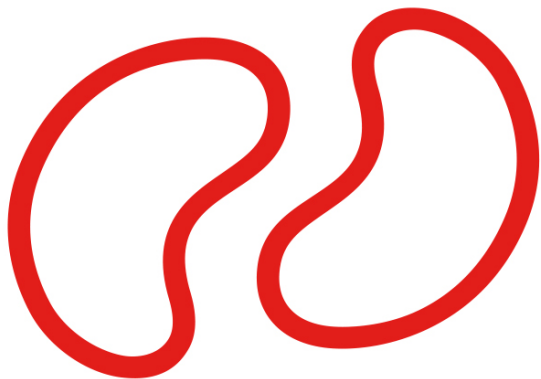

*Joint agenda*

*DKF initiated*

## Supporting the basis

*ERC, NWO/ZonMw*

*DKF competition program*

**DUTCH KIDNEY  
FOUNDATION**

Life comes first.
