

renalMRI Invitation Letter

We are pleased to invite you to our "[renal MRI](#)" community, based on the COST Action 16103 - PARENCHIMA. We are an open and growing network of researchers and clinicians from several disciplines bringing together nephrology, radiology, pathology, physiology and physics to enable clinical applications of functional renal magnetic resonance imaging.

On our homepage ([renalMRI.org](#)), you will find further details on ongoing task forces and actions. It would be advisable to join not only working groups, but also specific task forces and actions in order to experience the best involvement into our COST Action (receiving specific updates). Please contact the associated WG Leader, Task Force and Action Leaders.

In order to proceed with your invitation, we would like you to read and sign our privacy notice, which can be downloaded from our homepage: <https://renalMRI.org/about>. Thereafter, please send the signed Privacy Notice to privacy@renalMRI.org and include in the cc the lead of your desired Working Group and/or Task Force.

Our official newsletter for all PARENCHIMA - renalMRI members and partners are disseminated through info@renalMRI.org.

Our working groups have dedicated emails: `wg{#}@renalMRI.org`.

Last but not least, please consider to join our social media platforms:

- [Twitter @renalMRI](#) (<https://twitter.com/renalMRI>)
- [ResearchGate](#)
(<https://www.researchgate.net/project/PARENCHIMA-Magnetic-Resonance-Imaging-Bio-markers-for-Chronic-Kidney-Disease-COST-action-CA16103>)
- [LinkedIn](#) (<http://www.linkedin.com/groups/8448307>)
- [Facebook](#) (<https://www.facebook.com/renalMRI/>)

Looking forward to hearing from you, and
Kind regards,

Marcos Wolf

[Working Group 5](#) Lead, Science Communication Officer
