**Discussion :**

- I am very happy to announce that Mitko Kostov (Republic of Macedonia) will join the working group as vice-lead!
- A Group Picture and the presentation of Steven Sourbron will be uploaded on the homepage; News & Events section. (Marcos)
- TheFrontDoor will work on the homepage/backend till the 23<sup>rd</sup> of October. We are looking forward to the new updates. Consequently, we will not continue to populate/update the content.
- Previously, TheFrontDoor agreed to give us the full rights on the content and design of the homepage. In the upcoming TC with the TheFrontDoor, we will discuss these points and possible scenarios regarding the end period of the COST action period in 2021. This might be relevant for the upcoming budget negotiations (beginning 2018).
